

# STRIDES TUTORING

STRIDES has worked for almost 16 years within our community to help children that are failing in reading and math.

Once again, we will put our stories and hearts out to the beautiful people of the Upstate.

Thanks to the **Commerce Club**, on **October 18th** we will host our Second Annual Gala and silent auction from **7PM - 9PM**.

We serve children from ages 7-20 on a sliding fee scale, in multiple locations.

We have success with normal functioning children as well as children with learning disabilities.

**On average, in 12 hours, we can raise a child one grade level in reading or math.**

***Our success rate? 98%***

Come join us to hear the stories of our students. In their own words.

“My name is Dante. I was a student at STRIDES. Being in that program got me out of special ed classes. And into regular classes. Heather helped me with counting money and math. I thank Dr. Everett for her guide to success. Thank you Ms. Everett and all your staff to help me this past summer. Thank you sincerely.”

It doesn't take much to help a child learn the basic skills they need:

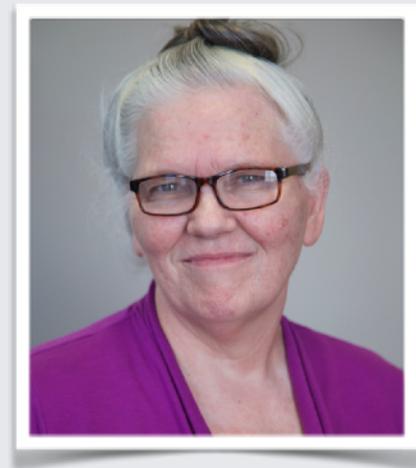

- Your gift of \$35 per month can move one child up one grade level.
- A one-time gift of \$420 covers one child for 12 hours of instruction.

## EXECUTIVE DIRECTOR

Dr. E. Gail Everett has been an educator of special needs children for over 30 years, working at Miracle Hill Children's Home, Oolenoy Christian School, McAlister Group Homes, The Reading Clinic, and now STRIDES. In addition, she homeschooled her own children for 18 years, one of whom has disabilities.

In 1992, she received an M.Ed. in special education from Bob Jones University. She then left as director of The Reading Clinic to obtain a Ph.D. in special education from the University of Virginia. Upon returning, Dr. Everett began training special education teachers at Bob Jones University.

In 2005, she was chosen by the Board of Directors to lead STRIDES as Director. She now serves as Program Director, overseeing program quality, instructor training and teaching students (her favorite!)
